Dear ones at Home: Wonder how you are by this time? Still keeping quiet Bertha? Still have your girl? How is Harry C. by this time? Be sure and tell him all about his relatives here in Ohio so he will know us when (if) he sees us. How does Armin like H. S.? Does he play basket ball? or any athletics? Is Madelin graduating from Donnellson this yr? We are pretty well again.

Love to all
Sister Laura.
